

Alateen Coordinator Report

Stacy Lewis – Spring 2018 Assembly

This year we have held 2 Alateen workshops with approximately 12 attendees total. Most of the attendee's were potentially new sponsors.

On March 17, the Nansemond District hosted a workshop in Suffolk. This district is looking to start a new Alateen meeting in Suffolk.

On May 12, we had a workshop in Midlothian. This Richmond District is also looking to start an Alateen meeting in Midlothian. This would be the only meeting in Richmond, as the last meeting closed.

The next workshop will be held in Toano (Williamsburg area) on 8/11/18 and will be hosted by the Peninsula District.

I will be looking for a location for the Northern Virginia workshop in September and anywhere in Western Virginia that would like to host in Oct/Nov.
