Area Alateen Process Person Coordinator Report

Currently in the Area there are:

145 active Alateen Sponsors

17 active Alateen Meetings

3 People in the process of being certified (waiting on prints from VSP)

I feel the process has really gotten much smoother. It is taking the VSP about 30 days to process the fingerprints, and then once I receive I enter the information on the WSO Database. You should have the number very soon after that.

Please stop by to see me if you have not done so already. I have a report for each District listing the Sponsors and your Alateen Meetings. I would like to know back by June 15th at the latest if there are any changes. The Re-certification process must be completed by July 1st for WSO.

As a reminder, at the end of this year I will be stepping down from this position. If anyone is interested in the AAPP position, please see me and I would be glad to answer any questions you may have. It is really very easy, and it is not very time-consuming at all.

Thank you so much for letting me serve!

Respectfully Submitted,
Diane Binns
AAPP Coordinator
