

## Alateen Coordinator Report

Stacy Lewis – Fall 2018 Assembly

This year we have held 6 Alateen workshops in the Area:  
Suffolk 3/17/18, Midlothian 5/12/18, VA Beach 6/20/18,  
Toano 8/11/18, Fredericksburg 10/6/18 and Roanoke  
10/13/18.

Several of these workshops were held to promote future Alateen meetings. Williamsburg and Fredericksburg hope to reopen meetings that have been shuttered. Williamsburg has not had an Alateen meeting in years. Please give the new Alateen meetings in your District all the support you can.

I would like to thank the Area and all the Districts for all their support over the last 6 years. It has been a pleasure training new – and old – sponsors to carry the message to all of the teens who truly love and appreciate all their sponsors and the Alateen program. We could not have healthy groups in Virginia without our Sponsors.
