**3. Ideas for your sharing:** The magazine is looking for your sharings, especially on the Legacies. Use our magazine to bring the topic for your next meeting.

**4. The E-magazine version is even easier to find on the WSO website.** There are now direct links for ordering it at [al-anon.org/onlinestore](http://al-anon.org/onlinestore), under "Electronic Literature."

**5. GRs as Forum Representatives:** GRs, don't forget to keep your group supplied with subscription forms, available in each issue or online at the WSO website. Also have a supply of F-1s on hand. Use *The Forum* in your meetings. Bring a topic from the current issue, or from a favorite back issue.

**6. Subscription Report:** WSO has changed its method of reporting subscriptions. We now get monthly reports of issues sold.
