

ASCT – Al-Anon Service Center of Tidewater

Stacy Lewis

October 20, 2018

Our Service center is running smoothly, but we continue to struggle getting volunteers. We currently have various 12 Step meetings regularly using the office conference room as well as the monthly Virginia Beach District meeting.

In an effort to reduce costs, the ASCT will be printing our meeting lists only twice a year now. The meeting list is always available online at the ASCT website, and is also the most up to date list. Our ASCT General meetings will also be reduced to meeting twice a year starting in 2019. We hope to generate more attendance at the meetings due to the reduced time commitment.

Our Quilt raffle was a huge success and generated over \$300 in funds for the ASCT. A member from Chesapeake was the thrilled winner!

On November 3, 2018, we will be having our Gratitude Breakfast in Virginia Beach. We had stopped doing the breakfast for a few years due to complaints about the cost. This event will be held at a church and will be catered locally – which reduced the price. There will be a silent auction, 3 speakers and of course – great food and fellowship. Tickets are \$15.
