

## Norfolk District #14 Report

Norfolk has 6 active meetings and 1 Alateen group. 3 meetings have not met, 1 has decided to inactivate and look again in January. The 6 active meetings look to be set for the long haul, both in the digital world and when we go back to in-person. The district meeting had 10 attendees which shows commitment to hang in and hang on. Our outreach coordinator stepped down. We had a well attended speaker meeting at our beginners meeting. We have a new GR that started during the pandemic and is a bright spot for our district. Cue the music: "We Will Survive"

Thank you,
