

District 20 Report
Fall Assembly 2020

Our district has had a busy time during Covid.

Many groups have set up meetings on zoom and web-ex. They are listed on the alanonrichmond.org website. We have 2 groups that have set up hybrid meetings, both in person and zoom. Other groups hope to move ahead as soon as their locations allow.

Newcomer packets are being sent out to newcomers when we can get an address. We are including the pamphlet "A Family Guide to the Alcoholic" P-7. This pamphlet use to be in the newcomers packet but it currently is not. It was recently brought to our attention that it was a great pamphlet to include to newcomers so we are doing that.

Our District talked about having a workshop this fall, but we were not sure how it would work out. In place of that we have been having monthly speakers since no one has to travel. It has allowed us to reach out to people that we might not be able to hear in normal times.

August: we had Aaron J from N.C.

September: we had our very own Terry W from VA.

October we are excited to have Rick J from Ontario, Canada

November....still looking for an exciting speaker and would love suggestions.

December: the one and only Mary Pearl!

Our past two meetings, we have just shared on the alanonrichmond.org. We are getting bigger as time goes on. The next speakers we plan to share on the vaalanon.org website as we have upgraded our zoom. We would love to reach out to many more people that would like to get more experience, strength and hope.

Our next speaker meeting will be posted soon and we hope to see many of you there.
