VAWSC Meeting

AAPP Report

We currently have 17 active Alateen meetings.

Our newest meeting, Come Together Wednesday Night Alateen was activated on 4/22/20. However, there have been no actual meetings yet due to the virus.

All AMIAS have been processed and approved by the State Police. There are no pending applications pending with them. There is 1 applicant that has not returned additional paperwork necessary to process her application.

We are in the process of recertifying all Alateen groups with the WSO – confirming meeting information, CMA's and other contact information etc. As of 7/19/20, there are still 5 groups that are not recertified. Follow-ups will be done with DR's to finish this process by the deadline – August 15, 2020.

In service,

Stacy Lewis
