Al-Anon needs you!

We will be hosting a “Boutique” during the 41st Virginia Al-Anon convention in August of 2022 and need help gathering items to sell. These can include but are not limited to homemade items. The Boutique will be called “Grateful Gifts” and the items that are sent in will be sold to benefit our Convention costs. Prayerfully consider how you/your group can contribute.

Think of the far-reaching effect that these items can have for someone in need of recovery!

Drop off items at the Boutique during registration at the convention.
