

For Nansemond district:

Elections have been held and we have all but our Alternate DR and Public Outreach positions filled.

Since last Assembly we have had a new group open and close due to lack of Participation.

In general most of our meetings are in person with 1 that is hybrid.

We have also seen an average of 6 to 8 people per meeting.

We had an AMIAS training on 9/11 that had some participation.

We are down to 3 AMIAS sponsors in our District and have not seen participation from teens for the Ala-Teen meetings.
