

Rappahannock District 19 to Fall Assembly 2021

The Rappahannock District 19 covers Stafford, Spotsylvania, King George, Caroline Counties and the City of Fredericksburg. At the present time, we have 11 active family groups and one Alaeen group. I'm sorry to say 2 groups have closed as a result of lack of participation; Covid 19 has played a major role in these closures. However as a result of Covid 19, our groups have held their own using zoom. Some of our newcomers have never met in person and some of our regulars are not even in our area. Now 7 groups are meeting as hybrid, 1 group meets in person, and 3 groups meet on zoom with 1 moving to hybrid soon.

The District 19 gladly funds the Zoom account and holds monthly District 19 meetings. With the option of moving the District 19 meeting back to an in-person meeting, the District voted to continue meeting on zoom allowing more individuals to participate.

A bright spot in our District 19 was our "Fall into Recovery" Potluck dinner this past Saturday, October 2, 2021. (Our event last year was canceled, again because of the pandemic.) The fellowship was heartwarming, the food was delicious, the silent auction raised funds for our District, and the speaker was spiritually uplifting. A great time was had by all.

Gratefully submitted,

Ann Gorrell, District 19 Representative

October 2021
