

ASCT Report for Spring Assembly 2021

The Al-Anon Service Center of Tidewater (ASCT) is celebrating 45 years of continuous service during 2021, having opened in 1976.

The ASCT ended 12/31/2020 with a loss \$5,574.28:

While a loss is never a good thing, this loss was during a pandemic in which the ASCT was not able to host a Gratitude Breakfast in 2020 or able to benefit from literature sales at Fall Assembly 2020.

Contributions in 2020 totaled \$10,441.77!

Income through 4/15/2021 minus expenses through 4/15/2021 equal a balance of \$617.83.

The ASCT is looking to fill the following service positions at its next General Membership Meeting on Thursday, September 16, 2021 for the next panel that begins 1/1/2022 and ends 12/31/2024:

Chair	Secretary	Alateen Coordinator
Co-Chair	Alternate Secretary	Office Manager (paid position)
Treasurer	Public Outreach Coordinator	
Alternate Treasurer	Website Coordinator	

Any member within the 13 Districts that the ASCT serves is welcome to serve. It is preferable that the Treasurer or Alternate Treasurer and the Office Manager be local to the Tidewater area since these positions require being in the office in Virginia Beach.

The ASCT encourages members in the 13 Districts it serves consider becoming Courage to Change members of ASCT by establishing a reoccurring monthly contribution of \$8.00 or more. Predictable income is vital to the long-term viability of the ASCT. Members can sign up on the ASCT's website

The ASCT is considering hosting or participating in the following events during 2021 and 2022:

- A picnic on June 26 or 27, 2021.
- An in-person Gratitude Breakfast in September or October 2021.
- Providing literature sales at an in person Fall Assembly in October 2021.
- At the Area Convention in August 2022.

Respectfully Submitted, Ami S. ASCT Chair 2019-2021
