

DR report, Spring 2021, District 17

District Representative's Report, Piedmont District 17:

Of our 7 meetings, one has discontinued during the CoVid crisis, one is now meeting in-person, one is online, and four are in hybrid mode. We have had some district meetings on Zoom, and are in the process of scheduling another one. We were able to 'send' one person to the workshops that the NVSC conducted on outreach. GR's have been encouraged to register for this assembly. Hopefully we will be able to meet in person for assembly this fall. We have some new GR's for whom in person assembly seems important to their service experience.

Respectfully,

Jneks Hobson - DR for District 17.
