Informational Items:

- We held a Gratitude Brunch last year that was well received by those that attended.
- The Tidewater Service Center is working on further fun'd raising this June with a Picnic in the Park on June 25!
- Our first in person General meeting was held last month and while attendance wasn't great it was very good to see everyone that came in person.
- Financially we are doing ok but want to make sure that we have funds coming in.
- We also are several members short on our committee but do have the main positions filled along with the DRs for our area.

Challenges:

We are managing without an office manager currently, but we are in the process of searching for someone to fill the position.
