# ODAT Page 121

Quick question: Who are the people that brought you into this room today? (sponsors, people in your groups, district meetings) What did they offer? What about them attracted you to service?

# Please keep in mind:

*We cannot give from our sustenance only our abundance.* Marjorie Williams

This is a program of attraction not promotion.

All of our service/recovery is based on our 3 legacies. We need to study all of them to create abundance.

Great, but how do I attract people?

What have you received in service? Can you communicate that to others?

Let's Practice!

# Breakout groups

Each group “reporter” will get a question for their group on the benefits received in serving. Each member of the group is invited to share their own experience strength and hope on that benefit. The group will come up with a statement that can be used when talking with others about becoming involved with service. We will then report back to the larger group.

**Question:** What benefit have you experienced you would share regarding

Group 1 Learning to take Risks

Group 2 Increased Self-Esteem

Group 3 Lessons in Detachment

Group 4 Lessons in Acceptance

Group 5 Letting go of Perfectionism

Group 6 Deeper sense of a Higher Power
