Informational Items:

The 2022 Annual Alateen Group Verification is complete!

AMIAS Sponsors:

As of July 18, 2022, there were 91 certified Amias, this includes people who recertified and are new.

Which leaves us 15 AMIAS that are needing recertification by years end.

The April in-person recertification session was a great success. We had 8 attendees. We have not received paperwork back from anyone as of yet.

Alateen Groups:

As of February 2022, there 31 Alateen Groups. We are now at 24 Groups.

Currently, 16 are showing as active. There at 7 Alateen Groups that are showing inactive.

Action Items

We have another HYBRID training in September. Lisa (Alateen Coordinator) and I will be reaching out to those still needing recertification.

We need each District Representative to continue to advise their GRs to please spread the word about this HYBRID training. Travel is a barrier, with rising gas prices. And communication to the GR's seems to be inconsistent.

On a personal note, we have 2 Alateens from the new Ashland Alateen group going to MEAC at the end of July. We are up to 6 members for a group that is FTF only and just started, we are proud.
