

District # 17 – Piedmont

Report to Area

From: Janice G., Dist. Rep.

Dated: 7/16/22

---

Our District continues to progress after the challenges of the Covid 19 lockdown. We have six active groups in the district and one group in Amissville that appears to be inactive without contact. All active groups are slowly regaining face to face participation as well as strengthening membership via the use of tech platforms. Groups are aware of the upcoming Convention in August and are preparing Baskets & Gratitude Gifts to be delivered to Charlottesville. District#17 & District#19 have discussed the possibility of collaborating on a summer-end social event to occur possibly in Aug./Sept. This will help raise awareness, provide a sense of community between districts & expand outreach.

Best Regards,

Janice G.

District Rep. #17
