Informational Items:

We had our first ever Alateen Sponsor (AMIAS CHAT) on February 15th 2023, great meeting!

AMIAS Sponsors:

As of February 15, 2023, there were 93 certified Amias, this includes people who recertified and are new. (up from 91 last report)

The Virtual recertification sessions are a great success. We had lots of attendees. We have not received a lot of paperwork back as of yet. Maybe 3?

Alateen Groups:

As of August 2022, there were 24 Alateen Groups. February 2023 = We are now at 23 Groups.

Currently, 15 are showing as active. There are 8 Alateen Groups that are showing inactive. I have reached out to those groups for updates. I've not heard back at this time.

Action Items

We have 4 HYBRID trainings scheduled for this year. Becky, Lisa, and I: we are a strong team!

I will be reaching out to those who may be needing recertification.

We need each District Representative to continue to advise their GRs to please spread the word about these HYBRID trainings. Travel is a barrier, with rising gas prices. Communication to the GR's seems to be inconsistent.
