Informational Items:

We had our first ever Alateen Sponsor (AMIAS CHAT) on February 15th 2023, great meeting!

Had another training on September 23, 2023. Decent attendance.

AMIAS Sponsors:

As of September 19, 2023, there are 87 certified Amias, this includes people who recertified and new. This is a drop from before Statewide recertification deadline in June. We are down from 93. Only 15 new total since I've started.

The Virtual recertification sessions are a great success. We had been having lots of attendees. That has dropped some and we have not received a lot of paperwork back as of yet. Maybe 7 this year?

Alateen Groups:

As of August 2022, there were 24 Alateen Groups. February 2023 = We were at 23 Groups. Now we have 21 groups, with only 14 active Groups. One reactivated since August 23 VAWSC reporting.

Action Items

We have 4 HYBRID trainings schedule for this year. Three already completed.

Becky, Lisa, and I: we are a strong team! We have a great Alateen speaker joining us as well.

We need each District Representative to continue to advise their GRs to please spread the word about these HYBRID trainings. Travel is a barrier, with rising gas prices. Communication to the GR's seems to be inconsistent in certain areas.

Paperwork coming back from Districts is sometimes incomplete. Please ask AAPP if you have any doubts as to what needs to be done. That's what I'm here for!
