Tuesday Nights Adult Child AFG

Wednesday Night Live North Side AFG

Well of Hope AFG

In District 20 as with many others attendance has been affected by the COVID epidemic.

We have recently have redone the District Budget and continued on-going outreach.

Right now a lot of our problems have been changing. Our District representative is in the middle of a 3 year term with a lot of meetings not having Group representatives.

We are looking forward to better coordinated efforts in the future
