

Convention Committee Report
Spring Assembly, May 2023

The Convention Committee last met on 3-19-23.

We are listening to speaker audio and trying to nail down our speakers.

We have a logo and will be updating the Area website with a Save the Date page shortly.

Our committee is considering workshop ideas that will make the best use of the lovely natural surroundings.

We are looking for a district or districts to be the 'host' district(s) which would primarily involve supplying hospitality room provisions.

Anyone who would like to volunteer should reach out to Wendy R. at windexx@mac.com. I can also be reached weekdays after 12pm at 540-425-4355 or any time on weekends.
