PayPal Illustration: How to Donate to the Virginia Area October 1, 2020

We recommend you use a desktop or notebook computer for clarity and simplicity. If you donate from your own PayPal account, the small PayPal fee can be avoided if you use your PayPal cash balance or if your PayPal account is linked to your bank account for payment purposes. If you see the option to send money to a friend or relative, use it. See additional information below. (At the Area, we have no preference either way.)

In your preferred web browser, go to www.vaalanon.org and scroll down to the bottom of the main page.

Scroll to the bottom of the page and click on the DONATE button.

Wait a few moments for the PayPal screen to appear.
