

Convention Committee Report

Spring Assembly May 4-5, 2024 Report

The 2024 Area Convention will take place August 9-11, 2024 at Natural Bridge Hotel and Conference Center, Natural Bridge, VA.

We have confirmed all speakers, entertainment and workshops.

The registration page is up and running with hotel link that follows emailed confirmation of registration.

As of April 9, 89 people have registered and 64 of the 118 Natural Bridge rooms held have been filled. Space is limited so it is important to register soon.

MailChimp is being used monthly to communicate Convention information with reminders to register with the fellowship.

Convention volunteers are in place for planning committees. Volunteers are being recruited to help with activities during the Convention weekend.

Questions should be addressed to Convention@vaalanon.org.

Thank you everyone for your help and interest in the Convention. We promise you a whale of a good time.
