I have been busy these past few months! WSO contacted me several times. Once was concerning a rehab center needing a meeting at their location. I have been actively looking for someone willing to take a meeting to them but as yet have been unable to find anyone willing. I have met with several districts to talk about their public outreach programs and give them new ideas for public outreach. I have had conversations with several DR's and group public outreach coordinators to brainstorm ideas for public outreach to professionals and other ideas for public outreach campaigns. I am currently planning a public outreach workshop which will be held the first weekend in June! Everyone will be invited! I put out a public outreach newsletter every month. It is sent to all DR's to share with their groups. If you're not receiving this newsletter please contact me so I can get you on my e-mail list. I am enjoying getting to meet so many new people!
