### **Informational Items:**

- Meetings held – We hold monthly Officer Meetings on the 2<sup>nd</sup> Thursday evening of the month via Zoom. Our 2 Steering Committee meetings will be held the 3<sup>rd</sup> Thursday evening in March and September. Our two General Service Committee meetings will be held the 2<sup>nd</sup> Thursday evenings in April and October. This IS an election year, so if you are interested in being an Officer or Coordinator for the 2005-2007 Panel, let your DR or GR know NOW.
  
- Successes:
  - We have a cohesive and enthusiastic group of officers
  - We have been able to open some Saturdays
  - The districts have worked with each other to plan workshops and fellowship opportunities
  - Each District donated to the Center this year
  - One of our DRs has started a Strategic Planning Committee and has involved others within the Area to assist.
  - CAL sales continue to go up a little since we have been able to attend workshops but remain under budget Off-site literature sales were over \$4000.

- Challenges:
  - We need an Alternate Treasurer
  - We need more volunteers to continue to expand our hours at the service center.
  - For the year 2023-donations were 20-30% lower than we projected and lower than 2022.
  
  - There is some concern that it is felt that NVSC doesn't need the money as much as WSO, but that isn't really the case.
  
  - This year we were only open 1-2 days a week (some Saturdays) due to having very few volunteers.
  
  - We are spending \$600 more a month than we are taking in.
