Informational Items:

Updates:

- 46 registered (17 AMIAS; 29 Alateens); 44 attendedContinue to back up critical files
- Net Profit - \$554.10 (approximate, actuals will be determined after final receipts.)
- Elections were held and a full board was elected
- Next year's theme is TROLLS
- The group unanimously voted that the fiscal year be changed from ending Dec 31 to ending Sept 30 to better align with our reporting schedule.

Successes:

- MEAC was a lot of fun! Thank you to the groups and individuals who financially contributed.
- Alateens and Sponsors came together to support our common goal of providing a safe space for young people affected by the disease of alcoholism.
- Healing and community was prevalent in the space and teens had fun getting to just be teens, especially during the talent show!
- We had a teen volunteer on their own to be a speaker this year and it was wonderful!

Challenges:

- Still figuring out how to determine the amount of food to purchase

We need more individuals to sign up to do outreach so teens in our communities know Alateen is here. One way to raise awareness of ALATEEN would be to print CAL, which can be found on the WSO site. It would be awesome if individuals signed up to post CAL flyers anywhere allowed.
