

VA Area Coordinator's Report

Date of Assembly: September 26-28, 2025

Area Coordinator: Communications (Tech Comms)

Name and Email: Cheryl L., TechComms@VAalanon.org

Informational Items -

Area Webex Accounts:

- In accordance with the decision made at the May 16th Officers meeting, the Virginia Area's Webex account has been reduced from 3 bridges to 1; this bridge continues to be used for Area business (i.e., VAWSC, Assembly, Officer meetings, area-level meetings and trainings, Town Halls, etc.).
- All AFG meetings that were previously hosted on the Virginia Area's Webex account are encouraged to review their meeting information on both the Area and WSO meeting lists for accuracy; email Sophie L. at GroupRecords@VaAlanon.org if any changes are needed.

Area Email Addresses:

- All Area Officers, Area Coordinators, District Representatives and Liaisons have been asked to use their associated Virginia Area email address for Panel 65 business; these emails have been set up to forward into their preferred email (personal or District).
- Please note that, while emails sent to an Area email address are *forwarded* to your preferred email, they will appear in your inbox as if they were sent directly; several trusted servants have been confused by this, not realizing that they are actually receiving these emails - myself and Martha, our Panel 65 Area Secretary, use these Area emails when sending information.
- Please contact me if you are unable to locate these emails or if you have any questions regarding them.
