Updates:

- **Events:** We participated in a cross-district outreach event, the Culmore Community Day on September 13 in Falls Church. We will also be supporting the Service Center's Gratitude Lunch on November 8.
- **Successes:** Panel 65 positions filled for DR, district secretary, district treasurer, and a district outreach coordinator. One of our groups has elected members to all of their vacant positions, including a new GR and group officers (they previously had a CMA)! We are making headway on cross-district public outreach and our groups have donated generously to those endeavors.
- **Challenges:** We need to encourage participation at the group level. We still have several groups without a GR.
- **Goals:** We want to continue on supporting district outreach with a new outreach coordinator, as well as encourage groups with CMAs to elect Group Representatives.
- **Things that are working well:** GRs and new officers are collaborative, and have encouraged their groups to commit to supporting outreach endeavors. Other districts have been supportive in committing their outreach materials to ensure our success.
- **Things that need attention:** Further district service participation and fellowship events.
