Updates since last meeting:

Events or projects the District has completed since last meeting

- District meetings are active and have established regular meeting intervals every other month.
- An Outreach Committee was formed in March 2025.

Events or projects the District is planning

- A second speaker potluck event is being planned for Spring of 2026.

Successes – none too small or too large to share!

- A re-working of our 7th tradition announcement has increased member contributions.
- A re-working of our approach to newcomers (including deleting the non-CAL verbage discovered in our Area records) improves our communication with them.

Challenges

- Filling service positions at both the AFG and District level is a challenge as well as acquiring AMIAS certification.
- Supporting our service position holders to help them understand their responsibilities and Links of Service.

Goals

- The Outreach Committee is developing an outreach plan using the AI-Anon Outreach Kit and support from our area Outreach Coordinator, Duane F.
- To continue to improve AFG contributions (per conference guidelines) by sharing the purpose and need of 7th tradition.

Things that are working well

- Members are willing to lead, share and participate in our AFG meetings, GC and District meetings.

Things that need attention

- Improve our business meeting process (when and how to meet: Zoom, email, when; meeting structure: Robert's Rules, etc?)
- What to do with the Alateen 7th tradition funds (now in the district account) since alateen closed years ago?
