Updates since May 2025:

Events or projects the District has completed

- We had 2 Ice Cream Socials which were well attended by a number of members from a variety of meetings in the district

Events or projects the District is planning

- 2 opportunities for Public Outreach have come our way that we're considering:
 - A local treatment facility would like for us to share the Alanon message once a month – hold a Newcomer meeting
 - An AA conference that will be held this November in our city is looking for 3 Alanon members to serve on a panel for a Q&A session during their conference.

Successes – none too small or too large to share

- 2 GRs will attend the Fall Assembly in person; 1 will attend virtually.
- Of our 8 meetings we're missing a GR for 2 but have CMA for all AFG

Challenges

- Getting participation for District events and meetings.
- We're facing challenges for getting an Alateen meeting going due to the slow process of getting members cleared by the State police in a timely manner.

Goals

- To have all 8 of our AFG more active in the district and to have a GR in all meetings

Things that are working well

- Most GRs are responsive to emails or texts for quick turnaround discussions.

Things that need attention

- All of our AFG need to hold regular business meetings and encourage donations to the District, Area, WSO on a consistent basis.
