

# VA Area Coordinator's Report

**Date of VAWSC Meeting: August 2, 2025**

**Area Coordinator: Communications (Tech Comms)**

**Name and Email: Cheryl L., [TechComms@VAalanon.org](mailto:TechComms@VAalanon.org)**

**Informational Items -**

**Area Webex Accounts:**

- At the May 16th Officers meeting, the decision was made to set July 31, 2025, as the last day to offer use of the Virginia Area's Webex account for AFG and District meetings. After that date, the Virginia Area's Webex account will be reduced from 3 bridges to 1, which will be used for Area business only (i.e., VAWSC, Assembly, Officer meetings, area-level meetings and trainings, Town Halls, etc.).
- **Anyone who has been Hosting a meeting on the Virginia Area's Webex account is advised to UNLINK from 1-VAWSC of 2-VAWSC, as applicable, PRIOR to the August VAWSC meeting, as you will be precluded from attending VAWSC under those logins.**
- THANK YOU to those Districts and AFGs who have already moved away from using the Virginia Area's Webex account to host their meetings, ahead of the July 31 end date!
- As of this report, there are still 10 AFGs in 5 Districts who are still actively using the Virginia Area Webex account.
- All AFG meetings that have been hosted on the Virginia Area's Webex account are reminded to send updated meeting information to Sophie L. at [GroupRecords@VaAlanon.org](mailto:GroupRecords@VaAlanon.org) so that online Area and WSO meeting lists can be adjusted appropriately. \*\*Tech Comms does not need to be notified

**Area Email Addresses:**

- All Area Officers, Area Coordinators, District Representatives and Liaisons have been asked to use their associated Virginia Area email address for Panel 65 business; these emails have been set up to forward into their preferred email (personal or District).
- Please note that, while emails sent to an Area email address are *forwarded* to your preferred email, they will appear in your inbox as if they were sent directly; several trusted servants have been confused by this, not realizing that they are actually receiving these emails - myself and Martha, our Panel 65 Area Secretary, use these Area emails when sending information.
- Please contact me if you are unable to locate these emails or if you have any questions regarding them.
