Group Changes

Any group change should be emailed to your District Representative or District Group Records Coordinator, who will forward the updates to the Area Group Records Coordinator. New Current Mailing Address and/or Group Representative should include the following information:

- Full name
- Complete mailing address
- Email address
- Phone number

The Area Group Records Coordinator (AGRC) will update the VA Area group records, the World Service Office (WSO) group records, and the VA Area's website if applicable.

The AGRC does not update any Al-Anon Information Service (AIS) group records, such as the Northern Virginia Service Center (NVSC). Group changes should be emailed to the NVSC directly.

New Group Registration

Anyone can start a new group. To start a new group, follow the WSO's guideline, Starting an Al-Anon Group(-12), complete the New Al-Anon Group Registration form and send it to your DR. The DR will then send me the information. Additional information can be found by reading the WSO's FAQ. Alternatively, you can contact your DR directly who will put you in contact with the Area's Group Records Coordinator.
