Arlington has a new meeting! Tuesday Daily Readers. Tuesday at noon, Trinity Presbyterian, 5533 16th St. N, Arlington.

Our last district meeting was very successful with great information about an international meeting and one in New York. We meet every other month and as DR I will send out a newsletter on the off month to cut down on emails. I will also spotlight a GR at District meetings. An idea from assembly.

The one meeting that had no GR or treasurer now has a treasurer but still working on a GR.
