### Updates since May 2025:

#### Events or projects the District has completed

- Scheduled our first Fellowship Gathering of the year – an ice cream social in July

#### Events or projects the District is planning

- A Fall workshop “12 Steps in 15 Minutes” – still planning but it’s discouraging to find that no one is working on moving this forward. Will work with a neighboring district to perhaps do a joint workshop before the end of the year.

#### Successes – none too small or too large to share

- Most groups now have a GR (or a designated CMA)

#### Challenges

- We now have 2 meetings that do not participate in District meetings or events.

#### Goals

- To get an Alateen meeting back into our district – we have volunteers completing training now but it’s a SLOW process

#### Things that are working well

- Most GRs are responsive to emails or texts for quick turnaround discussions (with the exception of 2).

#### Things that need attention

- The “non-participating” meetings need a visit from DR or Alt. DR (or both)
- There is still the outstanding issue that arose last year at a meeting where a member was asked (legally served) to not return to that meeting. That member was never given the opportunity to give their side of events and is still hurting from this. A visit from the DR/Alt. DR (both) needs to happen to resolve this and let the meeting know that it is not a solution for our Alanon meetings. (This remains unresolved as the new GR doesn’t respond to phone calls/texts to meet with me)
