Updates since last meeting:

We had a Seren-I-tea that went well.

- Events or projects the District has completed since last meeting

We are talking about a fall picnic

- Events or projects the District is planning

- Successes – none too small or too large to share!

We have adopted a set of job descriptions and some new voting policies!!

- Challenges

We have at least five meetings that don't participate above the Group level at all and most of those do not have group reps or officer panels. We have been trying to figure out how to best serve those meetings, but as yet have not been able to come up with ideas on how to get them involved or how to help them become fully self supporting

- Goals

Find a public outreach person for the district level. Plan some activities for next year and end of this year.

- Things that are working well
- Things that need attention
