N/A

- Events or projects the District is planning

Nothing at this time.

- Successes –

- Our Nassawadox Meeting will again host the members of the Chincoteague meeting and fellowship afterwards on Oct 21st.
- We are thrilled to announce we have started a District Fund to begin our first ever contributions to be able to send someone to events and hosting our first district get togethers.
- Our library of donated books continues to thrive and our invested pamphlets have been very popular with newcomers.

- Challenges

- Outreach is a challenge as with many other groups. Volume in our area very low. Difficult to connect with other wellness groups.
 - Getting others to chair at our meetings is still difficult. I
- Goals
 - A Meeting in Cape Charles would be beneficial due to density.
 - Have enough funds next year to attend an Assembly.
- Things that are working well
 - Our site location at the Nassawadox meeting.
 - Communication between the two existing meetings as well as Chincoteague is nice.
- Things that need attention: It would be helpful to have a small contribution or help for DRs to attend Assembly without paying themselves. Our two meetings in the whole district currently only have about \$75 set aside for District related things and are still saving. It is not enough to send someone physically, but even the virtual cannot be attended unless paid for by the DR. It excludes us from some of the paths of service. We are not able to attend the Fall Assembly due to finances.
