

VA Area District Representative Report

Prepared for: 2026 Fall Assembly

District: Loudoun 10

DR: Jancy T. — afg.va10dr@gmail.com

Submitted on: Oct. 10, 2026

Meetings

16, including 2 Alateen meetings

- Face to face: 6
- Hybrid: 6
- Virtual only: 4

Updates since last meeting

- Several groups have had changes in GR service, including new GRs and an Alternate GR. We continue working to increase GR participation.
- Public Outreach remains active. We are preparing for the 2027 LCPS Mental Health & Wellness Conference and exploring both an outreach table and a possible presentation.
- The District continues to support our two Alateen meetings and has a great pool of AMIAS members.
- District members have continued participating in discussions about the future of the Northern Virginia Service Center.
- We did not hold a fall District workshop because there were not enough volunteers to organize it. We are considering an early spring 2027 workshop instead..

Goals

- Strengthen GR participation and service in general.
- Continue supporting Alateen and Public Outreach.
- Begin planning a spring workshop if there is sufficient interest.
- Complete 2027 District planning and budget for next year.
- Encourage participation in the NVSC group-conscience process.
