## **Updates since last meeting:**

Our district meetings every other month and the officers meet on the off months. We currently are working on a policies and procedures manual and we are documenting the job descriptions for the district.

We have a monthly newsletter being distributed now.

We have 2 people interested in becoming AMIAS and two more interested in recertifying so hopefully, we can have an Alateen meeting again in our district!

Challenges—Although we have more people attending the district meetings, we don't have a lot of volunteers or ideas for activities or things to do.

We do, however, have more meetings with elected Group Reps since Jan 2025! Yay!!
