Updates:

- Events or projects the District is planning: A Newcomer's Workshop
- Successes: GRs are involved; We are coordinating a district-level event; We have participated in Public Outreach
- Challenges: Need to encourage groups to elect GRs
- Goals: Plan a successful workshop, support groups to elect GRs and be represented (such as at district meetings, Assembly), increase groups' accessibility to DR by frequenting more groups
- Things that are working well: GRs are collaborative and organized, groups that were struggling are still self-supporting, we are establishing a district scholarship fund for groups that can use financial support
- Things that need attention: District participation, more leadership (holding myself accountable here!)
