Updates since May 2026:

Events or projects the District has completed:

- Based on encouragement from other DR's at Assembly, we had a Face-to-Face district meeting earlier in July and it was well attended. We plan to do an Inventory of our District this Fall; we're calling for alternate positions to be filled (Secretary and Treasurer).

Events or projects the District is planning:

- We are seeking a member to become the Public Outreach Coordinator. This is a position that has not been filled in some time.
- We are still searching for ways to bring an Alateen meeting to our District.
- The first AFG invited outing is on August 6th for a dutch treat at an outdoor ice cream truck.

Successes:

- Our latest District meeting for GRs was well attended - only 2 GRs missing.

Challenges:

- Spring Assembly had only 1 GR attend in person and 1 on-line. That's not a healthy District showing up to bring/share information between the Area and their AFGs.

Goals:

- To have each AFG perform an Inventory / as we as the District
- To offer a workshop before year end (12 in 12 or something with Outreach)

Things that are working well:

- Of the GRs that reported back to me, attendance is up in meetings - even over the summer.

Things that need attention:

- 2 AFG meetings that are non-responsive. One has been that way during my first 1.5 years as DR. The other one has recently become non-responsive.
