

VA Area Coordinator's Report

(for Coordinators, Liaisons and Committee Chairs)

Date of VAWSC Meeting: March 07, 2026

Area Coordinator: Long Range Planning

Name and Email: Debbie P. longrange@vaalanon.org

Informational Items:

Updates since last meeting:

1. The Chair has asked LRPC to look for a digital voting app to use during Assembly. Research was done on a few apps that come with a cost. The Area has access to Slido thru Webex. Research with this app revealed that hybrid voting is possible. A meeting was called with the officers, LRPC Committee and Tech Team members to test the app and this was found successful with a few minor issues to be worked thru with the Chair, Secretary and Technology Coordinator to be ready to test at the upcoming assembly in May 2026
2. LRPC committee will meet on February 22, to go over The Google Drive Storage Procedures and Guidelines to insure proper information has been discovered and documented on how to move forward using the Area Google Drive Storage account.
3. A meeting is scheduled on February 22 with the LRPC Committee to test the Translation feature on Webex using a live translator. This is a discovery meeting to research and explore for information on how this works.
