Updates since September 2025:

Events or projects the District has completed

- None to report at this time

Events or projects the District is planning

- Start up our ice cream socials again and add a Putt-Putt gathering.
- Plan a Service workshop to get groups thinking of ways to serve our community together

Successes – none too small or too large to share

- 3 Meeting reported growth with Newcomers and sustained numbers for members attending. Even during the holiday and winter season. One group helped the church they meet in to clear the parking lot of snow/ice so that they could hold their meeting.
- Of our 8 meetings we have GRs for all but 2 and one of those is an inactive (or non-responsive) meeting. Our other groups are planning regular business meetings and Group Conscious meetings. It feels as if we're slowly on the path to becoming healthier groups.

Challenges

- Our last District meeting scheduled had 1 GR able to attend so we cancelled it. Due to health reasons, I was not active in planning from Dec. – Feb but now am working to get meetings and events going again.
- We continue to have 2 meetings that are non-responsive to requests to join GR Zoom calls and many of our meetings are not making regular contributions to the District/Area/WSO. Our virtual only meeting is not asking for donations for even their own meeting and is not self-sufficient. They're using our District Zoom account for their meetings.
